

# Hamburg Port Authority

## August 12

After lunch, we will take the S-Bahn from Klein Flottbek to Stadthausbrücke. From there it is a 15 Minute walk to the Hamburg Port Authority (see map below, the address is “Neuer Wandrahm 4”).

There, we will hear a talk by an official of the Port Authority. He will join us afterwards on a boat tour of the harbour.

The tour will end at Baumwall, close to the Elbphilharmonie. It is quite easy to make your way home from there, taking the U3, which connects to the Central Station.
