

International Maritime Museum

We are visiting the International Maritime Museum! There, we will learn a lot about ships in general, miniature ships, and the history of shipping.

We will start together from Klein Flottbek directly after lunch, taking the **S1 at 14:22 to Jungfernstieg**. There we will change into the **U4 to Hafencity Universität**. From that station, it is just a few minute walk to the Museum. The tour at the Museum starts at 15:30.

Leonhardt & Blumberg shipowner's company

After the museum visit, Mr. Frank Leonhardt has invited us to hear a short talk and enjoy some refreshments at his company's offices.

We will take a ferry from the quay at **Elbphilharmonie** around 17:30 to **Landungsbrücken**, change ferries there to reach one that goes to **Neumühlen/Oevelgönne**. From there we walk to the offices.
