

2023 IFLOS Summer Academy Distinction Exam - 24.08

| Time | Name | Examiners | Room | Topic |
|-------|-------------------|-------------------|--------------|--|
| 13:30 | Benjamin Blandin | Türk/von Rochow | Villa Room 1 | Please discuss different legal options to deal with maritime zones in the context of sea level rise and support your arguments with examples from State practice. |
| | Daiana Venancio | Matz-Lück/Cabus | Lecture Hall | Please assess the current law of the sea with a view to its potential to viably address ocean acidification. |
| | Rennie Vaiomounga | Proelss/Steenkamp | Villa Room 2 | Critically discuss the relationship between the law of the sea and human rights in regard to maritime border control. |
| 14:15 | Rigoberto Banta | Türk/von Rochow | Villa Room 1 | Please assess, if there is legal recognition in the law of the sea for indigenous communities and how the law could or should be evolved in this regard. |
| | Jasleen Kaur | Matz-Lück/Cabus | Lecture Hall | Please engage in a critical discussion on the interpretation and application of “due regard” in the law of the sea context. |
| | Sabrina Hasan | Proelss/Steenkamp | Villa Room 2 | Please evaluate the regulations in the law of the sea on the status of and passage through straits used for international navigation and compare them to other straits; please take into consideration the historical development of the law of the sea and the potentially diverging interests of coastal States and flag States. |
| 15:00 | Felix Bode | Türk/von Rochow | Villa Room 1 | Please discuss and assess the jurisdiction of the ITLOS in regard to an advisory function and assess the potential of advisory proceedings for the dynamic development of the law of the sea. |
| | Manon Rosenthal | Matz-Lück/Cabus | Lecture Hall | Please assess the legal challenges associated with armed personnel on board of commercial vessels to protect them against unlawful attacks and compare this approach with other means to combat piracy and other forms of violence against ships. |
| | Joel Matonga | Proelss/Steenkamp | Villa Room 2 | Please assess, to what extent there is a duty to restore the marine environment in regard to plastic pollution and for whom. |
| 15:45 | Liane Schmiedel | Türk/von Rochow | Villa Room 1 | Please discuss if the so called “compulsory dispute settlement” under the LOSC lives up to this designation by taking into consideration the different procedural options, necessary prerequisites and exemptions for such proceedings. |
| | Khaled Elmahmoud | Matz-Lück/Cabus | Lecture Hall | Please discuss and assess the legal content of the common heritage of humankind and discuss the consequences of applying this concept to high seas fisheries. |
| | Jean Kua | Proelss/Steenkamp | Villa Room 2 | Critically discuss the LOSC regime on islands and assess the interpretation of Art. 121 LOSC in the South China Sea Arbitration. |
