***“Uses and Protection of the Sea –
Legal, Economic and Natural Science Perspectives”***

which will take place at the International Tribunal for the Law of the Sea (ITLOS) from 26 July to 21 August 2015.

If you are interested in further details of the programme please refer to www.iflos.org

The Summer Academy is an international centre of excellence for studies of both international law of the sea and maritime law and includes related topics of economic and natural sciences. Again, it will bring together a prestigious faculty from among the judges of the Tribunal, professors and professionals from the maritime field with a dedicated group of 38 highly motivated participants from 30 nations around the globe. In close co-operation with the International Tribunal for the Law of the Sea and our Sponsors, the Foundation has provided 15 participants, predominantly from developing countries, with a scholarship to enable them to attend the Academy.

IFLOS is pleased to announce a public event in the courtroom of the International Tribunal for the Law of the Sea which will be open to registered guests. Professor Dr. Esa Paasivirta (Legal Service of the European Commission) will speak about “The European Union’s Contribution towards the Law of the Sea”.

We would like to invite you to attend this public event at ITLOS and ask you to return the registration form as soon as possible.
