

Hamburg Port Authority Talk and Boat Tour

August 4th

After lunch, we will take the S-Bahn from Klein Flottbek to Hauptbahnhof and change to the U1 subway line to U Meßberg. From there it is a 10 Minute walk to the Hamburg Port Authority (see map below, the address is “Neuer Wandrahm 4”).

There, we will hear a talk by an official of the Port Authority. He will join us afterwards on a boat tour of the harbour.

The tour will end at Baumwall, close to the Elbphilharmonie, around 6pm. It is quite easy to make your way home from there, taking the U3, which connects to the Central Station.
